Public Hearing Minutes
Tuesday, February 25, 2014 @ 6:00 PM
Southwest Harbor Fire Station
250 Main Street

I.   Call to Order/Roll Call:
       Public hearing was called to order by Ralph Dunbar, Chairman at 6:00 PM.
       Present were Chairman Dunbar, George Jellison, Dan Norwood, Tom Benson
       and Town Manager Don Lagrange. David Mincton was excused.

II.   The newsletter was discussed regarding Main Street construction comparing the
       existing contract which limits construction to one year and, a change order if
       voted in favor to eliminate construction in July and August would require two
       years construction into October of 2015 with a potential spill over into 2016. The
       current contract has 220 calendar days of construction remaining and a change
       order would allow 280 days. The cost of the change order was reiterated at
       $267,301. Members of the audience spoke on both sides on the issue to use
       surplus funds. Approximately 90 people were in attendance to discuss these
       issues.

III.   There being no further discussion the public hearing was adjourned at 7:25 PM
