

April 20, 2022

Minutes of meeting

The meeting was called to order at 2:08

Present were Kathe Walton, David Scull, Julie Fernald, Joan Terry, and Aimee Williams

The committee did site visits to the Newman, King, and old Burying Ground last Wednesday. Newman - We will continue the cleanup and tree removal on the inside of the cemetery. Any further cleanup on the outside east and northeast area will be discontinued. David's crew has agreed to continue this work and install a fence. Aimee will check with the Town Manager on the requirements of spending the town monies.

King - The boundaries of this cemetery had been marked a few years ago by the committee. Aimee has contacted the abutting landowner about possible work to be done. They gave permission to do whatever work that needs to be done. David will have the crew that has been working on the Newman cemetery take a look at it to see if they would be interested in cleaning this one up.

Old Burying Ground - David reported that he had someone who would drill the holes in the stumps and add an enzyme that will speed the rotting process. They would also remove any root extensions that have died.

There was a discussion on the right of way access to the Gilley cemetery on Fernald Point Road. The only access to the cemetery is by way of Lee and Ann Judd's driveway. There are several town right of ways that the public is welcome to use.

Time and date of next meeting. May 18, 2022 at 2:00 PM.

Meeting adjourned at 3:05
