

June 21, 2023

Southwest Harbor Historical Cemetery Committee

The Meeting opened at 2:02 pm with Dave, Julie and Joan present, Kathe excused..

No old business.

New business:

Gilley Burial Ground: The neighbors have cleaned up the winter debris which is very much appreciated.

Fox Farms gave an estimate of between \$4331.00 and \$4764.00 to cut the trees and clean up after. Work could not start until the ground is frozen., All agreed to contract.

It was discussed that their needs to be something done to the stumps of the tree that have been cut the in the other cemeteries as the trees are growing back and this is defeating our purpose.

We will be looking at the Moore cemetery to see what needs to be done there.

Damon will be finishing up the Evergreen cemetery as soon as he can.

By the way this has been done and looks GREAT. Thanks.

We have \$1499.69 to work with year.

The next meeting will be Sept, 20th at 2:00

Adjourned at 2:33
