

Southwest Harbor Historic Cemetery

July 20, 2022

Meeting minutes

Present: Julie Fernald, David Scull, Joan Terry, Aimee Williams

Excused: Kathe Walton

Meeting was called to order at 2:00 PM

David reported that the crew was available to start work on the cleanup of the King cemetery the following week.

The discussion about tree growth in the cemeteries appears to be the biggest issue.

We decided to do site visits to determine how many trees in each cemetery would need to be removed. If we could get an estimate from a tree specialist, then we would have a better idea of what we might need to request for money from the town.

Aimee will contact member to see who is available to do visits to the cemeteries.

Time and date of next meeting. August 17, 2022 at 2:00 PM
