Notes:

- A. Mooring Registration fee applies to boats, lobster cars, floats and Corps of Engineers approved moorings. Each Mooring Registration fee includes one dinghy float permit.
- B. For non-mooring owners.
- C. Includes unlimited commercial use of both boat ramps and transfer of equipment and or tackle from the pier, except for commercial fishermen and lobster-buying trucks.
- D. Includes 50 commercial uses or less per year of both boat ramps and transfer of equipment and or tackle from the pier, except for commercial fisherman and lobster-buying trucks.
- E. A "touch" is defined as a period of no more than fifteen minutes during which the barge touches the launching ramp. This fee includes commercial use of boat ramps, parking lots and transfer of equipment and/or tackle from the pier. It does not include overnight parking or storage in a parking lot without Harbor Master permission.
- F. Available only to students fishing 50 State Lobster Tags or less
- G. Includes use of any Town facilities. All commercial fishermen and other "privately-run water commerce" using town docks must pay regardless of hoist use.

* "Resident" is defined by our Coastal Waters and Harbor Ordinance as "Any person who occupies a dwelling with[in] the Town of Southwest Harbor for more than 183 days, or pays Real Estate Taxes to the Town of Southwest Harbor"
