

Harbormaster

Town of Southwest Harbor

The Town of Southwest Harbor is seeking a fulltime Harbormaster. Work includes assisting the Public Works Department in the off-season. The ideal candidate will have demonstrated administrative capacities; strong communication and interpersonal skills; proficiency with common computer programs; and a team player attitude. Minimum qualifications of a high school diploma or GED, five year's experience in a marine-oriented industry, possession of a valid driver's license, experience afloat in a vessel with duties pertaining to deck, navigation & operational specialties or any equivalent combination of experience and training. Position is 40 hours per week, year-round, with a pay range of \$24.00 to \$26.81 per hour depending on experience and training, plus an excellent benefit package. A full job description is available upon request. Submit a Town application or cover letter and resume, including current salary, to Marilyn J Lowell, Town Manager by email to manager@southwestharbor.org. Applications will be accepted until the position is filled, with the first review of applications beginning on July 1.
