

June 15, 2022

Minutes of meeting

Present: Julie Fernald, Aimee Williams, David Scull, Joan Terry

Excused: Kathe Walton

Meeting was called to order at 2:05 PM

David reported that the crew willing to do the cleanup are still unavailable at this time.

Julie and Aimee went to the Newman cemetery and measured the perimeter of the cemetery. We were hoping to figure out how much material would be needed to replace the old fence. What we found on the west side of the cemetery was a discrepancy with the iron property posts. It was decided that deed and property research will need to be done to establish an accurate property line with the abutting landowners before we can move forward with a fence.

Time and date of next meeting. July 20, 2022 at 2:00 PM

Meeting was adjourned at 2:35 PM.
