Subject: Region 4 ADA Improvements
State Project Number: 24807.00
Various Locations Statewide

Dear Mrs. Lowell:

The Maine Department of Transportation is currently working on estimating a project to reconstruct various curb ramps on Route 102 in the Town of Southwest Harbor that were impacted by 2020 LCP Projects. The subject project will be advertised for competitive bids in June of 2022. Construction will occur during the summer months; exact start and completion dates will be forwarded once a schedule from the Contractor has been reviewed and approved.

The project is further described as follows:

Reconstruct various curb ramp openings located along Route 102 to meet current ADA requirements.

The purpose of this letter is to make the necessary notifications of the project to abutters, municipal officials and occupants of the highway under the provisions of 23 M.R.S.A. § 3351. We hereby request that you provide a copy of this notice to all municipal officials, employees and boards with responsibilities for utility and/or land-use planning/permitting, and that you post this letter on any municipal public bulletin boards, media outlets and/or municipal websites as public meeting will not be held regarding this project unless specifically requested by the municipality.

The Department would like to know if there are any events or known traffic generators that would impact this project. Should you have any questions, concerns or other areas of interest, we would appreciate your comments and input. Please feel free to contact me at (207)-941-4754 with any questions or concerns.

Sincerely,

Randall Barrows
Senior Project Manager
MaineDOT, Bureau of Project Development
Highway Program, Region 4
