The mission of the Mount Desert Island High School Community is to provide a safe, supportive environment in which all members are held to high academic and ethical standards. The faculty, staff, and administration, supported by the community, guide students as they acquire the knowledge and skills necessary to become responsible, self-directed learners and healthy, productive citizens.

Public comment, limited to 3 minutes per speaker, is an opportunity for the board to listen to concerns and receive information from the public. The board will not engage in dialogue, but will investigate as appropriate. Speakers and board members should be respectful and professional at all times.
